TEAMWORK

BING CROSBY

When two guys pull together
it's **teamwork**.

In foul or sunny weather
it's **teamwork**.

What does it take to make any business climb?
You'll find it takes **teamwork** every time.

Incidentally, your jokes will kill
the yokels it's **teamwork**.

I love your hokey vocals it's teamwork.
Like Fred Astaire and Ginger yet twice as chic
We'll give them that **teamwork**,
cheek to cheek.

Here we are, just like in Zanzibar
Still nothin, still a star.

That's quite a stab from old flab.
They always pay us plenty for teamwork.
We split it 80-20 -- **that's teamwork?**
(Yours is tax free.)

When others start to part and go off the beam.
Like siamese brothers we'll be on each other's
team.

No fuss about the billing it's teamwork
The smallest type is thrilling it's teamwork.
Although we hold each other in low esteem
We're loaded with teamwork!

Hey now!

What's life without teamwork?

Go boy!

Unless you got teamwork there's no team.
