WHAT WE LIKE FROM THE MEETING

- Meeting started on-time.
- For the first time, we sang along the song from the Itunes, prepared by Saputra, "Where is the Love?"
- Well prepared meeting and delicious food.

ROOM

FOR IMPROVEMENT

- Club should have extra speakers in the agenda. From the previous plan, there were five speakers, the actual speakers who came and delivered speech were only three.

LANGUAGE CORNER

Attachment: The condition of being closely tied to another by affection or faith.

Adore: To feel deep, devoted love for.

The Meaning of Love offers and explains a definition of love in a way that is interesting, intense, clear, logical, and meaningful. All relationships --love, infatuation, friendship, dating, marriage, family, community, and professional-- involve three key elements:

Emotions --how we feel about each other

Ethics --how good or bad we are for each other

Joys --how much we satisfy or dissatisfy each other

PERHAPS LOVE

John Denver

Perhaps love is like a resting place
A shelter from the storm
It exists to give you comfort
It is there to keep you warm
And in those times of trouble
When you are most alone
The memory of love will bring you home

Perhaps love is like a window
Perhaps an open door
It invites you to come closer
It wants to show you more
And even if you lose yourself
And don't know what to do
The memory of love will see you through

Oh, Love to some is like a cloud
To some as strong as steel

For some a way of living
For some a way to feel

And some say love is holding on
And some say letting go
And some say love is everything
And some say they don't know

Perhaps love is like the ocean
Full of conflict, full of pain
Like a fire when it's cold outside
Thunder when it rains
If I should live forever
And all my dreams come true
My memories of love will be of you

And some say love is holding on
And some say letting go

And some say love is everything
Some say they don't know

Perhaps love is like the ocean
Full of conflict, full of pain
Like a fire when it's cold outside
Or thunder when it rains
If I should live forever
And all my dreams come true
My memories of love will be of you
