TABLE TOPIC SESSION

Mika led the energetic Table Topic Session. She began by asking members and guests to pick up paper from the bowl and they have to explain or gesturing what was written there.

Yes, it was about the movie. The speakers were mimicking, gesturing and tried their best to explain what the movie was about. Yani, who claimed that she is not movie goer, did a great job to explain seven movies title. Fadhli prefer to gesturing the movie. We did have great times to guess the movies title.
